| 5. to visit – infinitive | 10. to help – infinitive |

Worksheet 2

Last Sunday, Rohan decided to visit his grandmother. Waking up early, he packed his bag and left home. He enjoys travelling by train because he loves watching the countryside pass by. Reaching the station, he realised that he had forgotten to bring his ticket. Feeling embarrassed, he called his father for help. His father advised him to check his bag carefully before panicking. After searching for a few minutes, Rohan found the ticket hidden inside a book. Relieved, he boarded the train and spent the journey reading a novel.
