#### Worksheet 2

Once upon a time, in a beautiful forest, lived a lion named Mustafa. Mustafa was the king of the forest. He was kind towards all the other animals. There were many animals who loved Mustafa, except Lira, the hyena. Mustafa had three friends – Raj, the wise elephant, Bella, the swift deer, and Milo, the friendly monkey. They often gathered near his den, sharing stories and laughter. One day, Mustafa noticed that Lira was trying to influence his friends against him.

He understood that Lira was trying to break the bond of friendship. He went to Lira and asked, ‘What do you want?’ Lira replied, ‘I want to be the king of this jungle.’ Mustafa smiled and said, ‘For that, you have to be kind and loving towards all.’ Lira understood that Mustafa had built his empire with lots of love and kindness.
